## LOCALITY

Fairholme apartments overlook the azure waterways between Forster and Tuncurry. Located only three-and-a-half hours north of Sydney, it is the perfect escape for a weekend away or a leisurely break over a week or two. It's a popular facility as it is close to shops and restaurants, and is a perfect spot for fishermen and sight-seers. Fishermen have a choice of river, deep-sea, lake or beach fishing. Alternatively, you can hire a tinny and explore the clear waters and oyster leases of Wallis Lake.

Dolphin cruises, sail-boarding and scuba-diving are among the activities that attract large numbers of holiday visitors to the area, and the town's own ocean beach is well renowned for its quality.

The Booti Booti National Park is just south of the town. There is a plethora of attractions and activities nearby including quality golf courses, two fun parks, lawn bowls, ten-pin bowling, great restaurants, a car museum, art galleries, horse-riding trails, Australia's only Amish store and many more.
